### **MESSAGE**

It gives me great pleasure to know that Hindu Youth Australia is organizing the Hindu Youth Forum on October 3, 2021. I applaud your spirit and enthusiasm in organizing the Forum in these tough times.

I appreciate the valuable role you play in connecting our youth, coming generation and the wider Australian society with Indian civilizational ethos, traditions, and culture. While deepening bonds of friendship, it also enriches the multi-cultural fabric of Australia.

This year is momentous for our community and India-Australia ties. As India enters its 75<sup>th</sup> year of Independence, we are celebrating Azadi Ka Amrit Mahotsav. Our celebrations will reflect the pride of sanatan India and the glow of modern India as well. It is heartening to see that endeavours of our community organizations are actively contributing towards this end.

I would like to convey my best wishes to the organizers and everyone joining on this occasion.
